[linkedin.com/chirantan](https://www.linkedin.com/in/chirantan/) | chirantanbramhacharimia2@gmail.com | +91-9064469835

I am a Passionate Full-Stack Web Developer with hands-on experience in building responsive, scalable, and user-focused web and mobile applications. Skilled in both frontend and backend development using React, Next.js, Laravel, Drizzle ORM, and REST APIs. Adept at collaborating with teams, learning new technologies quickly, and delivering efficient digital solutions for real-world projects.

## Technical Skills

- Frontend: React, Next.js, RTK Query, Tailwind CSS
- Backend: Laravel, REST API, Drizzle ORM
- Database: PostgreSQL, MySQL
- Mobile Development: React Native
- Tools & Version Control: Git, GitHub, Docker
- Other: Full-Stack Development, API Integration, UI/UX Implementation

## Work Experience

**Maity Innovations Pvt. Ltd. | Web Developer** May'25 – Present

- Developed and maintained multiple in-house web applications using **React** and **Next.js**.
- Implemented **RTK Query** for optimized data fetching and state management.
- Built and integrated **REST APIs** and performed **CRUD** operations for backend data flow.
- Developed mobile UIs using **React Native** as per company requirements.

**Maity Innovations Pvt. Ltd. | Web Developer Intern** Nov'24 – May'25

- Led the development of an informational website, **Computer Store**, improving online visibility and product showcasing.
- Delivered responsive, scalable web solutions for in-house and client projects using React, Laravel, and Tailwind CSS.
- Gained practical experience in full-stack development with **PHP**, **MongoDB**, and **modern frontend frameworks**.

**Maity Innovations Pvt. Ltd. | Business Development Executive** Aug'24 – Nov'24

- Communicated with clients to gather project requirements and align technical solutions with business goals.
- Supported marketing initiatives and contributed to enhancing the company's client outreach.

**Flexon Technologies Pvt. Ltd. | Web Development Training Program** June'23 – Aug'23

- Built a comprehensive doctor appointment system, enabling patients to book consultations and receive online prescriptions effortlessly.
- Acquired hands-on experience with the Django framework, employing HTML, CSS, Bootstrap, and SQLite for robust application development.
- Operated as a Full Stack Developer, integrating frontend and backend components to deliver a cohesive user experience.

## Key Achievement

### Improvement of Online Visibility

- Successfully led the development of an informational website and improved the online visibility of the Computer Store

## Projects

**Ott Platform** May'25

- Built a **mobile application** that consumes APIs to dynamically list and stream movies.
- Designed a **clean, responsive UI** ensuring smooth navigation and high performance using **React Native**.

**Doctor Appointment System** July'23

- Built a mobile application that consumes APIs to dynamically list and stream movies.
- Designed a clean, responsive UI ensuring smooth navigation and high performance using React Native.
- Doctor Appointment System | July 2023
- Designed and developed a web application enabling patients to book appointments and receive prescriptions online.
- Implemented backend logic with Django and database handling using SQLite.
- Focused on user experience, accessibility, and responsive design.

## Education

**BCA - Bachelor of Computer Applications** 2021 - 2024

- Maulana Abul Kalam Azad University of Technology (Dr. B.C. Roy Engineering College) | CGPA: 8.6
